The sex talk made them both very horny, and finally did something about it

Celeste had invited her friend Bailey to stay the night this weekend since Celeste's parents were out. The two had been friends since the third grade and were always close. They were both very sexy, just-turned nineteen girls. Celeste was a little smaller than Bailey. She was 5'6" with an athletic build since she played varsity soccer. Her legs were very long and stopped at her firm round ass, which she loved to show off. Her blonde hair was long just like her legs, and stopped at the same spot as well. She didn't have very big tits, just 34 C cups, but they were very soft to the touch.

Bailey, on the hand, was a little bigger. She was 5'8" and very curvaceous. She had big, 38 D boobs with big round nipples. She had a big round ass, not as firm as Celeste's, but just as nice. Her hips were wide and gave her big thighs as well, making her curves even sexier. Her hair wasn't as long as Celeste's though, stopping about halfway down her back. The two spent most of the day chatting about their week and boys, especially the ones they had recently fucked. They usually talked about their anal experiences since they both loved anal because of their attractive asses. They would wear short gym short which made their asses look even better, especially Celeste's. They also wore tank tops, Bailey's being shorter though, stopping above her bellybutton, being the only thing holding her boobs up. It started to get late and Bailey asked to take a shower. Celeste told her she could and went up to her room.

All the talk about sex made Celeste very horny, so while her friend took a shower she started to masturbate. She lay on her bed and slid her shorts down below her knees. She then licked her finger, sucking on it a little, and slid it across her slightly wet pussy. She slowly slid it in and started fingering herself while playing with her boobs. She then slid her other hand down and start rubbing her clit to the same speed as her fingers. She started speeding up, going faster and faster until her pussy started to get soaked. She started arching her back and breath heavily as she felt herself about to cum, and right before releasing, she heard Bailey's

voice call her name. Startled, Celeste accidentally shoved her fingers a little too deep and came instantly, covering her hand in her pussy juice and having to hold back her squeal.

She called back to her friend and asked what she needed and found out there were no towels in her bathroom. So she quickly pulled her shorts back up and got Bailey a towel. She opened the door to the bathroom and saw Bailey standing there naked. Her body was soaking wet, her boobs hanging freely and wet, her nipples extremely hard. Her brown hair was over her shoulder and covering one boob, barely hiding her round nipples. Bailey's shaved pussy barely showed between her wet big thighs. Celeste was stunned for a moment, as she had never seen Bailey naked before. Celeste finally snapped back to reality and gave Bailey the towel.

As Celeste walked back to her room, she felt something wet drip down her thighs and saw she was wet again. She was confused, and a little scared, so she didn't mention it for the whole night. They had finally went to bed, but Celeste couldn't sleep. She kept thinking of Bailey's naked body, and soon she realized she was rubbing her clit to it. She stopped and looked at her sleeping friend who was laying next to her on her back. Bailey's boobs were still not supported by a bra, so they just lay there, looking bigger than even. Celeste slowly reached over and start slowly grasping one of them. Bailey started to moan so Celeste stopped and waited another couple of minutes till she continued.

She realized Bailey's breasts felt amazing, they were so soft and firm. She slowly leaned over and gave a nipple a lick before gently kissing and sucking it through her shirt. Bailey woke up and saw Celeste, but before she could do anything, Celeste leaned in and started kissing Bailey, pressing her lips firmly against Bailey's and twisting their tongues. Bailey's eyes grew wide at first, but then she slowly closed them and started kissing back, wrapping her arms around Celeste as they kissed, twisting and twirling their tongues in each others mouths. They stopped to help Bailey get her shirt off and went back to kissing. Celeste slowly started moving her mouth down, kissing Bailey's neck and moving down towards her tits with every kiss.

Her body was soaking wet, her tits hanging freely and wet, her nipples extremely hard

She finally got to her boobs and started flicking her tongue on Bailey's nipples. She then wrapped her mouth around a nipple and started sucking hard as she twirled her tongue around the nipple at the same time. Bailey started moaning as Celeste sucked her tit. Bailey then squealed as she noticed Celeste had started grinding on her leg. She had only noticed it because she felt something wet brush against her bare leg, noticing Celeste was so wet she soaked her shorts. When Celeste noticed

this herself, she quickly took her shorts off and put Bailey's leg between hers. She went back to sucking on Bailey's tits, sucking more passionately now and she rubbed her wet pussy against Bailey's leg. She stopped, grabbed Bailey's leg, and started grinding it as hard and fast as she could, soaking Bailey's leg.

Celeste started moaning intensely as she started to cum. As she came she let go of Bailey's leg and ended up squirting, shooting her pussy juice all over Bailey, landing on her tits, stomach and face. When Celeste saw this, she became embarrassed, turning red until she saw Bailey lick her cum off of her face and tits. Bailey smiled at Celeste and sat up and pushed her down on her back. Bailey then lay on her stomach and put her face between Celeste's legs, right in front of her soaking, sensitive pussy. Bailey looked Celeste in the eyes and gave a slow lick, making Celeste squirm since her pussy was still very sensitive.

Bailey grabbed Celeste's legs and placed them over her shoulders on her back. She then buried her face in Celeste's pussy, licking up Celeste's pussy juice before sucking on it. Bailey sucked on Celeste's pussy hard driving Celeste close to another orgasm. She ate Celeste's pussy for a good 30 minutes, causing Celeste to grab the sheets of the bed and pull on them until they tucked under her chin as she moaned loudly, thrusting her pussy into Bailey's face and grinding against her tongue. Bailey finally came up, covered in Celeste's cum, and gave her a passionate kiss, allowing Celeste to taste herself. She then grabbed Celeste's leg and put it beside her as she scooted closer till their pussies were touching.

Bailey finally came up, covered in Celeste's cum, and gave her a passionate kiss

Celeste leaned up and they grabbed each other and started kissing as they grinded their pussies together. Bailey bite Celeste's lip and pulled on it before releasing it and leaning back. As they both leaned back they started grinding harder and faster, grabbing their tits and squeezing them firmly as they moaned, crying out to God as they got closer to cuming. They went faster and faster until they both leaned back and screamed at the top of their lungs, cuming hard and covering the bed sheet in their juice.

As they fell back, exhausted from cuming so hard, their pussies separated, leaving a string of cum connecting them. They then layed down beside each other, spooning together, Celeste laying in front of Bailey, their legs twisted together, and Bailey's bare big tits pressing against Celeste's naked back. Bailey kissed Celeste on the neck and reached down to touch her pussy, leaving her hand there for the night. Finally, sleep.

party on the wild side

Is it possible to have too much fun

I just got home, two days after the Halloween party. What a trip it was. I got an invitation to a huge party that everyone knows about and everyone's wants an invitation to. It was at a well-known mansion in one of the "Hills" of Los Angeles. There were a lot of scantily clad girls and more than enough lecherous men in attendance. My date was a model that has been posing nude for some of the men's magazines. But don't get the wrong idea. She's a great girl with a good head on her shoulders and ambitions to become a veterinary doctor.

We pull into the long driveway and can see brake lights for its whole length. As we creep up to the front door, the valet guys come out and take the car. We enter the mansion to strobing lights, loud noise and a hum of people everywhere. Immediately, we're greeted by a server offering champagne and hors d'ouvers. We each take a glass but pass on the eats. As we mingle with the crowd, I notice boobs everywhere. Some are slightly covered, some are painted over and some are totally out there. But no matter how covered or uncovered, they all looked great and all were attached to some of the hottest women I have ever seen.

My date, Alysun, fit right in. She's about 5' 9" and that's the perfect height for me. Even in 4" boots she's an inch shorter. Tonight she's knockout gorgeous and I know I'm going to have to keep my eye on her. Her costume is somewhere between Catwoman and a black panther. It's a vinyl bra and panties with sheer black mesh from her neck to her toes and in her tight high black vinyl boots, she's quite a sight. She's got cat ears and whiskers on and black vinyl fingerless gloves with two inch blood red fingernails. With jet black hair, dark skin, no bra and hello kitty piercing nips, her response to everything is a low sexy "meowwww."

We stroll through the crowd hoping to find our host and thank him for the invite, but before too long one of the house staffers comes over to Alysun and says the owner would like to meet her. She explains that she's with me and he says that's fine, I can come too. We're led through the flesh pot and into a large room also filled with writhing dancing bodies. The atmosphere here is a little cozier and we are introduced to the owner, Jason, who, of course we had all seen so many times in print and on tv. The small crowd around him parts as we come forward, Alysun in the lead. He extends a hand to greet her and she takes it saying that it was nice to meet him.

BLAIR-NTS-09

He was much younger looking than his 55 years, with a handsome face and good physique. He's dressed as he is always portrayed, like a hip Julius Caesar, with a white tunic belted at the waist and gold trim in a Greek key pattern. He offers, with a gesture to a staffer, to refill her glass. He backs up a couple steps and sits on a long, overstuffed sofa. He extends and arm to Alysun to sit next to him and I grab a spot further down the sofa about four bodies down from them. That's okay with me. I'm at a bangin' party and the chick I came with is hanging with the mogul. Conversations turn to murmurs as the noise and the booze start getting to me. I decide to leave the room and check out the action elsewhere.

The party was happening over several different rooms, each one noisier and steamier than the last. Maybe half an hour had passed as I saw a lot of heavy petting, drunken slobbering and an occasional blow job in the dim light. In one of the brighter rooms, Alysun saw me standing talking to a bunch of people and came over. I guess her time with the man was over. We talked and drank with a bunch of people who were all kinda hanging on each other. Alysun began flirting with all of them. She liked being the center of attention, so she was in her element. So when someone suggested that she get up on the table and show them some dirty dancing, she was up for it.

Everyone cheered as Alysun climbed up and begun swaying to the music. Some guys surrounded the table and she ran her hands up and down her costume, caressing her boobs and gyrating her hips so sexy with the high heeled boots. When more people started to watch, she got more into it and egged on by the growing crowd, started a little strip tease by undoing her vinyl bra and stripping her panties off. Now just in the sheer body suit, she undid the snap in the crotch and everyone could get a glimpse of her ass and pussy. They went wild, whistling and clapping, which only encouraged her to do more.

She pulled the body suit over her head and completely off, momentarily stumbling on the table. She corrected herself and started to lick her fingers and circled them around her hard nipples. She tugged on then with the piercings to make them even longer and more prominent. It looked like she was getting hornier by the second. She looked down at the guys around the table and noticed several with bulges and others with their hands in their pants, A couple even had girls' hands down their pants, but I refocused on my table dancer friend.

She stopped dancing and laid down on the table. It was just long enough for her gorgeous body to fit on and she started writing and grinding like a snake in heat. Then she lifted her hips up until her pussy was displayed openly. She slid her hands down her body seductively as she rubbed her fingers along the center of her wet slit. Guys were pressing in from all sides, and one got bold enough to come closer, holding a glass of champagne in one hand and smiling. He got close enough to hold the glass over her pubic area, then trickled it's contents down her pussy! She looked like she enjoyed it and the guy bent over and licked her hard nipples. She clutched his head

so he wouldn't stop, and while he was licking her, two more guys moved in at the foot of the table. One of them drove a couple fingers into her wet pussy while the other guy assisted in tantalizing her sensitive nipples.

The lights seemed to dim in the room except for a soft reddish spotlight on the table and Alysun. It was awesome and people cheered and laughed while she squealed and gasped with her orgasm closing in. Then she came with a scream. There was quiet for a few moments and then a guy steps forward and undoes his belt and pants. A girl standing next to him reaches over and releases his cock. He reaches onto the table and pulls her up and tells her to turn around. She did and sprawled over the table, feet flat on the floor, ass up, pussy on display. He moved behind her, and his cock searched briefly for her pussy and then shoved it in. She gasped and yelped while he hammered away at her pussy. The two guys who'd been playing with her pussy and boobs unzipped and stood there stroking themselves. One came closer to the table positioning his cock near her mouth and she pulled it in to lick it. Then the other one took her hand and pulled over so she could stroke his cock. She sucked until hot semen was shot down her throat, then turned to the other guy whose cock she was stroking.

She'd already come at least twice by then and as those guys stepped back, another guy moved close to her face and offered his cock to suck. Just as she began blowing him, the guy fucking her pulled out and shot a huge load over her ass. When he stepped away, he was replaced by another hard cock that quickly jammed itself into her throbbing pussy. Through the crowd, the host pushed his way in and told us to stop. The guy fucking her said he was close to cumming and the host told him to hurry up. So the guy fucked her another minute or two until he emptied himself on her as the guy she was sucking off came all over her boobs. Out of the crowd came a towel and she wiped herself off. Getting her things she headed for a bathroom to dress. I waited outside until she was finished and I handed her a cup of coffee. She took it, thanking me and took my arm and led me to a corner.

She somewhat apologized, but not really. She said she had never done anything like that before. I told her it was pretty hot and I enjoyed watching her. I could see she still had cum in her hair as she told me more about how she felt doing all that. Strangely enough it seemed to get us both hot. She snuggled into me and I hugged her kissing her neck. Her hand ran down my chest and into my pants finding my erection. She unzipped them and took me by the cock and pulled me over to a small nook area of the room. Alysun dropped to her knees and started on my cock. The warmth and wetness of her mouth made me hotter and harder. She deftly circled my cockhead, finding the little slit and pushing her tongue into it. Her hands were working my balls, one in each hand. She knew just when to pull on the loose skin and when to squeeze them. All in perfect timing to her cocksucking. Her mouth swallowed me whole and her tongue worked the underside of my cock as she sucked me all the way in. I finally blew a huge load into her mouth and she sucked it all down her throat. She then lowered her head and sucked my balls as she gave my deflating cock a few last strokes for good measure. I lifted her to stand and whispered that was great into her ear. She gave me a big wet sloppy kiss making me taste my own cum.

It's now three in the morning and we decide to split as the party was ending. The host was at the door saying goodbye to friends as we walked by him. He momentarily stopped Alysun, asking if she enjoyed herself. She nodded and as her hand slipped out of his, he had folded a paper in it with his private number.
